

FEE INCREASES FOR AFTER SCHOOL, BEFORE SCHOOL and VACATION CARE LETTER TO PARENTS

Dear Parents, Carers and Friends of BP OOSH,

We wish to inform you of a fee increase that will take effect on all bookings starting **Monday 29th September 2025**.

Our Parent Management Committee has delayed any rate increase as long as possible. However, given the rising cost of living and increased pressures on wages and day-to-day program costs, we now must implement this change.

Effective **1 July 2025**, there was a **3.5 percent increase to the National Minimum Wage** and modern award wages across the early childhood education and care (ECEC) sector, as determined by the Fair Work Commission

Despite these adjustments, we have endeavoured to minimise the impact on families by keeping this fee increase as moderate as possible. Please note our fees continue to include all activities.

For context, there has been **no term-time fee increase since 2023**.

Enclosed is the new fee schedule for your review. Should you wish to discuss this increase or any other matter, please feel welcome to contact us at any time.

Thank you for your continued support of the BP OOSH Centre.

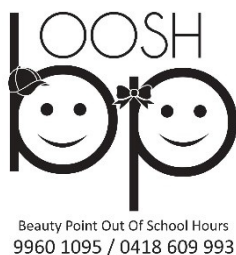

Yours sincerely,

Parent Management Committee & Beauty Point OOSH
