GENERAL INFORMATION

Beauty Point OOSH Care Inc. provides vacation care for primary school children aged 5 to 12 years during the public-school holidays. Other age groups accepted with prior approval. OOSH staff aim to provide a safe and enjoyable environment for your children. The program offers a broad range of in-house activities in addition to exciting excursions. Children are encouraged to socialise, relax, and learn new skills, whilst being challenged to be imaginative and creative.

To promote the safety and wellbeing of all children in the Vacation Care program, please note the following information:

4. Illness / Accident

If a child is or becomes unwell during the day and is unable to participate in an activity, parents will be contacted to collect him/her. In the event of an accident requiring medical attention, children will be taken to the nearest possible medical facility, and medical advice sought at the Centre Director's discretion and parents will be notified as soon as possible.
