GENERAL INFORMATION

Beauty Point OOSH Care Inc. provides vacation care for primary school children aged 5 to 12 years during the public-school holidays. Other age groups accepted with prior approval. OOSH staff aim to provide a safe and enjoyable environment for your children. The program offers a broad range of in-house activities in addition to exciting excursions. Children are encouraged to socialise, relax, and learn new skills, whilst being challenged to be imaginative and creative.

To promote the safety and wellbeing of all children in the Vacation Care program, please note the following information:

1. Excursions

On excursion days children must be at the centre **no later than the time highlighted on the “Excursion timetable” attached at the end of this booklet.** No responsibility is taken for late arrivals. Please be aware that purchases on excursion are not allowed, we kindly ask not to give money to the students.

2. Fees

Payment must be made at the time of enrolment. Please ensure that you have completed your enrolment form on your Xplor account and updated your payment details, prior to vacation care. Bookings will be accepted on a ‘first come first served’ policy. Please note that the cost of transport to and from excursions, external facilitators, and entrance fees for your child to an off-site location have been factored into the price schedule. Child Care Subsidy is available to eligible families. Please contact Family Assistance Office (FAO) on 136150 for more information. **If your child is absent/ill, you will still be charged for all dates booked. Credit cards will be charged 2 weeks before vacation care.**

3. Dropping off / Picking up

Children must be accompanied by an adult to be signed ON to the roll in the morning and signed OFF the roll when collected. Please assist staff to ensure this occurs. **Parents must sign their children in and out via Xplor.**

4. Illness / Accident

If a child is or becomes unwell during the day and is unable to participate in an activity, parents will be contacted to collect him/her. In the event of an accident requiring medical attention, children will be taken to the nearest possible medical facility, and medical advice sought at the Centre Director’s discretion and parents will be notified as soon as possible.
